

THE TILFORD POST OFFICE OFFICIAL OPENING
SATURDAY 21ST APRIL 2018

11.00am

After almost three years of providing a very warm and friendly service to our community, Krish and Ravisha have decided to take on fresh challenges elsewhere. We wish them every success for the future.

You may have noticed that a transition is already underway to ensure continuity of service. Ravisha's brother Para and his wife Mercy have formed Tilford Village Shop Limited which has taken over the existing lease and Post Office franchise.

The return of the Post Office to the Village Shop was the culmination of a long and sustained effort on a number of fronts. In the end, the lobbying and canvassing together with community-wide support paid off. Krish and Ravisha have played a very important role in amassing over 750 signatures – arguably one of the most persuasive reasons for the Post Office to grant the franchise.

As you might expect, the Post Office continuously monitors performance and unless the community uses the facilities they have fought hard to win, there is a very real danger the franchise will be revoked.

You are cordially invited to celebrate the official opening of the Tilford Village Post Office and to say goodbye to Krish and Ravisha, and “hello and welcome” to Para and Mercy.
