Customer feedback

Your feedback on how these works are carried out will help us to continue to improve. You can do this by filling out the enclosed freepost feedback form using reference number – S576- Tilford Bridge

Please keep this leaflet in a safe place for future reference.

We apologise for any delays this work causes and thank you for your cooperation and patience.

The leaflet features a dark background with a blue curved top-right corner. In the top left, there is a blue tag with a white outline of a road sign and the text 'IMPROVING OUR ROADS' and 'Surrey'. In the top right, the Surrey Council logo and the word 'SURREY' are visible. The main text is in large, bold, yellow and white letters: 'IMPROVING SAFETY ON SURREY'S ROADS'. Below this, in white text, it says 'Advance warning Temporary Bridge Repairs: Tilford East Bridge, Tilford Monday 16th July 2018 For approximately 18 days'. At the bottom, there are three horizontal yellow lines.

Start Date:
Monday 16th July 2018

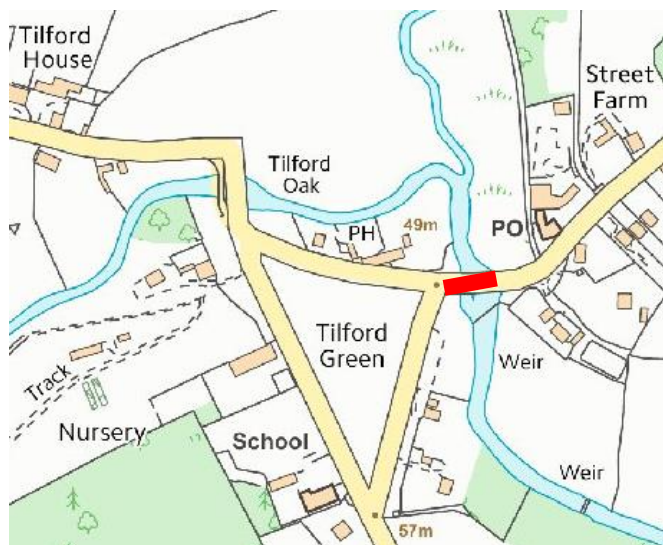

Duration:
Approximately 18 days

Working Hours:
8am to 4pm
Monday to Friday
Saturday between 9am – 4pm
24 hours closure

Please look out for advance warning signs on site for any date changes or check www.roadworks.org and @WaverleyLC

What we are doing

We will be carrying out essential safety repairs to the stone on Tilford East Bridge. Please note this is a temporary repair to the southeast corner (southern side) of the bridge only ahead of the main works, which are provisionally scheduled for early 2019.

Road Closure : 

Information for residents and businesses

Essential (Temporary) Repair to South East Corner of Bridge:

Tilford East Bridge, Tilford Street will be closed for the works there will be a signed diversion in place for vehicular traffic via Tilford Road, Thursley Road, Farnham Road and Tilford Street or this route in reverse order. There will be no vehicular access across the bridge during the works.

There will be no access for equestrians via the river. Access for equestrians will be maintained via a separate diversion route along BOAT 525 (Byway open to all traffic) or bridleway 7.

The exiting footpath across the bridge will remain open to pedestrians/cyclists.

Main Scheme Update: We are now deferring the main scheme until early 2019. This is because we need more time to plan the specialist work required having come across a number of unforeseen issues during the project planning process due to the historic nature of this bridge. Our webpage will be updated with more information on the main refurbishment works including a start date when confirmed.

Please talk to a member of our staff on site if you need help – talking to our staff can solve most issues.

The red line indicates the area of the works.

Delays in work

Our work is sometimes delayed by bad weather. We will keep you updated on any changes via the advance warning signs.

Noise

There will be some noise but we will try to keep this to a minimum.

If one of our signs has been left behind, please help us by reporting it - www.RemoveThisSign.com

We apologise for any delays this work causes and thank you for your cooperation and patience.
